**A Community Concerned Organization**

Members Helping Members, Inc. (MHM) is a 501(c)(3) tax exempt organization established to provide financial assistance to less fortunate citizens of the Eastern Shore of Virginia who cannot afford the cost of their electric service bills. A&N Electric Cooperative (ANEC) has agreed to assist MHM in collecting tax deductible donations to fund the program.

**An ANEC member may donate \$1.00 per month by simply checking the box on their electric service bill authorizing the Cooperative to add the \$1.00 per month to their account.**

Once authorized, the \$1.00 will be added to the bill each month until the member notifies the Cooperative to stop the deduction. All donations collected, 100% of all funds, will be forwarded to MHM. All donations are tax deductible.

***Please consider helping those who are less fortunate in our community by authorizing your donation.***
